

# GANCI / CLAMPS

50x30x65 mm

## K926

**Gancio professionale in alluminio a fascia 35mm portata max 100kg**

Professional aluminium half coupler 35mm up to 100kg

60x30x80 mm

## K922

**Gancio professionale in alluminio a fascia 50mm portata max 100kg**

Professional aluminium half coupler 50mm up to 100kg

65x50x100 mm

## K923

**Gancio professionale in alluminio a fascia 50mm portata max 300kg**

Professional aluminium half coupler 50mm up to 300kg

80x50x90 mm

## K925

**Gancio a fascia 50mm in resina termoplastica portata max 30kg**

Custom blended thermoplastic resin half coupler 50mm up to 30kg

85x30x110 mm

## K912

**Gancio professionale in alluminio a fascia 50mm portata max 500kg**

Professional aluminium half coupler 50mm up to 500kg

85x50x110 mm

## K928

**Gancio professionale in alluminio a fascia 50mm portata max 750kg**

Professional aluminium half coupler 50mm up to 750kg

170x30x110 mm

## K930

**Gancio rapido professionale in alluminio a fascia 50mm portata max 200kg**

Quick and professional aluminium coupler 50mm up to 200kg

170x30x110 mm

## K929

**Doppio Gancio professionale in alluminio a fascia 50mm portata max 500kg**

Professional aluminium swivel half coupler 50mm up to 500kg

125x30x85 mm

## K919

**Gancio in acciaio 50-30mm LUX con sistema di bloccaggio antigraffio portata max 50kg**

Steel C-clamp 50-30mm LUX with anti-scratch truss system up to 50kg

125x30x85 mm

## K920

**Gancio in acciaio 50-30mm BLACK con sistema di bloccaggio antigraffio portata max 50kg**

Steel C-clamp 50-30mm BLACK with anti-scratch truss system up to 50kg

60x25x30 mm

## W924

**Mini-gancio in alluminio ø 19mm con sistema di bloccaggio antigraffio portata max 10kg**

Aluminium mini-clamp ø 19mm with anti-scratch truss system up to 10kg

## K906 - K905

**Cavo di sicurezza in acciaio ricoperto in PVC L. 90cm K906 ø 3mm portata max 10kg K904 ø 5mm portata max 30kg**

Steel safety cable with PVC protection L. 90cm K906 ø 3mm up to 10kg K904 ø 5mm up to 30kg

# ACCESSORI TORRI / TOWER ACCESSORIES

## W940

ADT-29 supporto per strutture con perno da 29mm, adatto per strutture triangolari e quadrate da 25 a 40 cm. di lato con tubolare ø 50mm.

ADT-29 truss support with 29mm TV-spigot suitable for all triangular and square trusses from 25 to 40 cm side with 50mm ø

## W942

ADT-35 supporto per strutture con perno da 35mm, adatto per strutture triangolari e quadrate da 25 a 40 cm. di lato con tubolare ø 50mm.

ADT-35 truss support with 35mm TV-spigot suitable for all triangular and square trusses from 25 to 40 cm side with 50mm ø

## AA-304

Supporto con perno ø 35mm. adatto per strutture triangolari o quadrate da 15cm. a 55cm. di lato

Truss support with ø 35mm TV-spigot suitable for all triangular and square trusses from 15 to 55cm side

## AA-321

Barra a T con perno ø 35mm. per 6/12 fari  
T bar spots support with 35mm ø TV spigot for 6/12 spots

## AA-336

Adattatore da ø 29mm. a ø 35mm.  
Adapter from ø 29 to ø 35mm
