

OVERVIEW

The Mini Wing 4 provides 10 additional non-motorized faders for the Hog 4-18, Full Boar 4, Road Hog 4 and Hog 4 PC software. It uses the same high quality controls as found in the Hog 4 range of consoles, ensuring responsive and reliable operation. One Hog LED desk light is supplied, fully dimmable and software controllable.

PRODUCT FEATURES

- 10 non-motorized playback masters with go, halt, choose and flash keys
- Master column and paging button
- One dimmable white desk light included
- Dust cover included
